**Claim Number: 10699**  
**Asserted Claim Amount: \$ 1,239.27**

**Circuit City Stores, Inc.**

**United States Bankruptcy Court  
For the Eastern District of Virginia  
Richmond Division**

**Case No. 08-35653**

The amount of **\$ 1,239.27** is owed to Dino Bazdar, for a Car Audio (**2003 Audi A4**) installation which was performed at Circuit City Store in Boise, Idaho on **June 20, 2008**. Circuit City damaged the stock Car Audio system (Bose) by cutting cone on the speakers/subwoofers (audio equipment), and blew the stock systems amplifier, miss wiring, improper installation, and damaged the rear bumper. After contacting many other Car Audio installers, they have concluded that everything needs to be replaced and rewired. Dino Bazdar, contacted managers immediately, and filed a claim with **SRS** (Specialty Risk Services, Claim Number: YLB59066AP) by **Kristin Magann**, Account Representative.

The Bankruptcy Court should not sustain the Omnibus Objection because I, Dino Bazdar, have tried to collect **\$ 1,239.27** for over a year and the damage to my vehicle lowers the overall value of my vehicle. The funds received will go towards repairing the vehicle's Car Audio System. I have included pictures and estimates for the **damaged caused by Circuit City Car Audio employees**.

With regards,

Dino Bazdar  
June 23, 2006

Subwoofer cone cut by Circuit City Installer

Front Blinker was out of place

Tweeter was out of place and busted

Rear Bumper was damaged

Panels were not put back properly and were  
damaged

	TOTAL DUE	<u>100.00</u>

## PLEASE READ:

I understand that front driver and front passenger windows are illegal to tint. Also rear windows are illegal to tint without two side mirrors. Because of the intense cleaning process of windows and for proper application of film, rear window defroster lines are not guaranteed to work. Window tinting is warranted by the manufacturer as stated on the card attached. You must keep your receipt and a validated warranty registration card for warranty service. All films are scratch resistant, but any nicks or gouges are beyond our control. Windows will look blistery or foggy for at least 1-2 weeks, some windows will require more time to dry due to sunlight. To clean windows you can use Windex and mild soap glass cleaner and paper towels after five days. Any warranty or repair must be done in shop. No cash refund. Exchange only. For all window tinting, stereos, audio/video, and wheels that are installed - ALL SALES ARE FINAL. See over for other conditions.

**NO REFUNDS ON CUSTOM ORDERS • WE ARE NOT RESPONSIBLE FOR ITEMS LEFT HERE AFTER 3 DAYS**
